

What Should I Make?

Finding Inspirations and Coming Up with Ideas

- Something you are **interested** in, enthusiastic about, and unique to you
 - Reflect on your experience, culture, identity, etc.
- Something visual and **interactive**, and possible because of Playground
 - Apple switched from app to Playground submissions for a reason
- See what other people have made: <https://github.com/wwdc>
 - Also checkout the YouTube playlists in the repos

What Do I Need to Know?

Technical Skills to Learn
