

# Playground Apps

How do I make one?

- Apple sample apps: <https://developer.apple.com/tutorials/sample-apps>
- Apple Support: [Creating an app in Swift playgrounds on iPad](#)
- Hacking with Swift: [How to build your first SwiftUI app with Swift Playgrounds](#)
- SwiftUI: <https://uwdev.app/resources/getting-started/swiftui>
- @UWAppDev sample apps: <https://swiftplayground.gallery/UWAppDev>
